Ground Floor Plan

The ground floor of Madinati Mall is designed to welcome visitors with convenience and ease, bringing together essential services and everyday retail in one accessible space. Anchored by a Carrefour hypermarket, it ensures daily footfall and reliability for the community. A selection of casual dining restaurants and quick-service cafés complement the shopping journey, while a mix of lifestyle and service stores provide for residents' daily needs.

First Floor Plan

The first floor of Madinati Mall opens into a vibrant mix of retail, leisure, and wellness. Designed for families and individuals alike, it combines entertainment options with spaces for health and fitness, alongside a variety of retail outlets. Whether visiting for relaxation, activity, or discovery, the first floor offers experiences that complement everyday shopping. With an atmosphere created to encourage longer visits, it adds a lively dimension to the community mall experience.
